## NEWSLETTER NO. 2-2018

On the home stretch and not many sleeps before the season starts.

We wish our team and the football department all the very best for a very successful year in 2018. The playing group has depth and we look forward to a very fit and mobile final 22 taking the field each and every week.

The majority of media personnel have Demons in the 8 this year and the boys must play out 4 quarters of hard and fast footy each and every week. No excuses this year.

### AFLW:

Disappointing end to our girls AFLW team being pipped at the post and missing out on the grand final. Very blustery conditions and our girls' inaccurate kicking for goal in the first and third quarters when they had the wind came back to bite them.

**FOOTY TIPPING 2018— HAVE YOU JOINED THIS YEAR???? If not why not—there is still time**

### FUNDRAISING IN 2018:

Our committee is looking at options for fundraising, which has become very difficult since the privacy laws have been put in place. In the past we have had a raffle every 2 years, the last one being 2016. We are liaising with MFC at the moment endeavouring to find ways of overcoming the problem of not having a current data base of members to mail out raffle book/s, because of the Privacy Act. Watch this space.
